

HERNDON NOTES.

Farmers of South Christian County Are Ready to Plant Corn.

Herndon, Ky., March 28.—The mud and sun have had the desired effect on the roads. They are in fine condition now and the country people are making good use of them.

The frost a few nights ago did not injure the fruit trees in this vicinity. Although the farmers were a little late in getting their plant beds ready, they are through now, and are ready to begin planting corn.

Mr. W. B. Pace returned home Saturday night from Lubbock, Tex., where he has been visiting his sons who reside at that place. He was accompanied home by his three grandchildren, who will spend the summer here, and also by Mr. Albert Lindsey, who has been working in Armarillo, Texas, for the past few months.

Mrs. J. S. Jobe and Mrs. S. J. Osborne were guests here last week.

Miss Myra Word, of Beverly, spent several days with Miss Myrtle Dawson this week.

Mrs. E. L. Gates and Miss Cecil Carter are guests of friends near Hopkinsville.

Miss Martha Major will leave tomorrow to visit friends near Clarks-ville, Tennessee.

Mr. C. R. Bouldin visited relatives at Trenton Saturday and Sunday.

Messrs. Cap and Joe Dawson, Dr. Steve Johnston and Master Ernest Dawson spent yesterday fishing in Little river near Binn's mill. If their pictures could have been made when they returned and inserted in the puzzle picture column as "Find the Fish," it would have been lucky to bet on the impossibility of finding the fish.

A great deal of excitement was created here this morning by the discovery of a small hole in the public road just below Mr. W. B. Pace's residence which upon examination proved to be an opening, cave or sink-hole the size of a small room and ten or twelve feet deep. It will be thoroughly examined and the road repaired by the road supervisors at once.

Mr. Wm. H. Anderson, M. D., of Soda Springs, Ida., says that Bees Laxative Cough Syrup has relieved coughs and Colds where all other remedies failed. Its gentle laxative effects especially recommend it for children. It is pleasant to take. For coughs, colds, hoarseness, whooping cough. Money refunded if not satisfied. Sold by Anderson-Fowler Drug Co., Incorporated.

Killed an Editor.

Gen. Richard C. Horne was acquitted yesterday at Kansas City of the murder of H. J. Groves, managing editor of the Kansas City Post. The jury decided he was insane at the time of the killing and the verdict commits him to the asylum.

THE SIMPLE WASH CURES ECZEMA.

Itching, Burning Skin Disease Routed Without Use of Injurious Drugs.

Great inventors often have been praised for surrendering the secrets of their discoveries. Practically the same thing happened in the medical world in the case of Dr. Decatur D. Dennis, the eminent skin specialist of Chicago.

Dr. Dennis, in his own office practice, discovered that pure vegetable oil of wintergreen, properly mixed with other simple remedies was practically a sure specific for Eczema, psoriasis, barber's itch, salt rheum, and other itching skin diseases. But the oil of wintergreen alone was found ineffective. It required other mild ingredients such as glycerine and thymol compounded with the wintergreen, to produce the real eczema cure.

This compounded D. D. D. Prescription positively takes away the itch at once—the instant it is applied to the skin. This vegetable liquid does away with deleterious drugs so long used in an attempt to doctor the blood, whereas modern science has determined that eczema is first and all the time a skin disease.

If you want to know more about the merits of D. D. D. Prescription, call at our store. We vouch for this remedy.

Marshall For Governor.

The Indiana Democratic State Convention closed its two days' session after nominating a ticket, adopting a platform and instructing the delegates to the National Convention to vote for William J. Bryan for President. John W. Kern was endorsed for the vice presidential nomination. The convention was enthusiastic and the majority of the nominations were hotly contested. There were six candidates for Governor, and the nomination went to T. R. Marshall on the fifth ballot.

It is officially announced that the Burley Tobacco Society at the meeting of the executive board at Winchester sold 1,200 hogsheads, comprising about 1,500,000 pounds of its pooled tobacco, to the Bagley Tobacco Company, independent manufacturers of Detroit. The tobacco sold is of the 1906 and 1907 crops. It is said that the committee is considering another big sale to independent buyers.

DAVIESS LEADS

In The Number of Asylum Patients Here.

Three insane people being tried in the Daviess county court within three days is the unusual record that will probably stand after tomorrow. Joe Hayden is in jail awaiting trial. C. E. Burch was tried and found of unsound mind on Wednesday.

Hilary Clark will be tried on Friday on a lunacy warrant and there is no doubt of his being judged of unsound mind. He is a man of family who lives on South Frederica street and he formerly traveled for the George D. Mattingly liquor house. A statement was made a few days ago by a Hopkinsville asylum official to the effect that Daviess county now had more insane people in the asylum than any other county in the district.—Inquirer.

New Senator Seated.

John Walter Smith, of Maryland, was sworn in as a member of the United States Senate after a long debate. Mr. Burrows objected to the admission of Mr. Smith on the ground that the law had not been observed in Mr. Smith's election. By a vote of 34 to 29 Mr. Smith was admitted and the regularity of his election was left to be considered later.

Col. Parrent Weds.

Col. Mervin Parrent, assistant adjutant general during Gov. Beckham's term, was married to Miss Hinton Thompson, a clerk in the State Guard Department at Frankfort, Mar. 26, and left for New Orleans, where Col. Parrent has a position.

Manzan Pile Remedy comes ready to use, put up in a collapsible tube with nozzle attached. One application proves its merit. Soothes and heals, reduces inflammation and relieves soreness and itching. For all forms of Piles. Price 50c. Guaranteed. Sold by Anderson-Fowler Drug Co., Incorporated.

The Law and Order League of Hopkinsville is increasing its membership by leaps and bounds. Requests have been received for membership from adjoining counties and the constitution has been amended to permit citizens of Todd, Trigg, Muhlenberg, Caldwell and Hopkins to become members until they have Leagues in their own counties. Public sentiment is undergoing a wonderful change and everybody is talking law and order. Many of the League's most ardent members are farmers identified with the tobacco association.

When a man writes as follows don't you think he means it? Mr. S. G. Williams, Powderly, Texas, says, "I have suffered for years with Kidney and Bladder trouble, using every preparation I came across and taking many prescriptions all without relief until my attention was called to Pineules. After 30 days' trial (\$1.00), I am feeling fine. Money refunded if not satisfied. Sold by Anderson-Fowler Drug Co., Incorporated.

"I believe in laying something by for a rainy day," remarked the absent-minded man as he appropriated a stranger's umbrella.

CORTRIGHT METAL SHINGLES

What never leak? Exactly; never leak, never needs repairs of any kind, and last as long as the building itself. Neither melting snow, nor the worst driving rain can possibly reach the interior of the building that's covered with Cortright Metal Shingles. Pretty good recommendation isn't it? In addition we might add they're fire-proof and lightning proof too. Think of it! and they are not as expensive as other forms of roofing. Step in and we'll show them to you.
